OSWICK
A FRIGHTFUL INCONVENIENCE
Tonight, I shall strike fear into the fields.
SCARING FOR BEGINNERS
BEHOLD THE DREAD OF THE NIGHT!
These are not branches.
They are not scared.
Finest scarecrow I've ever had.
I have acquired critics.
You've made friends.
Apparently, I have a position now.
See you tomorrow!

Mist. Moonlight. Perfect conditions for dread.
YOUR BLOOD SHALL RUN COLD!
PSHHH!
I meant yours.
You're standing in the begonias.
I am a chilling presence.
Here. Dry off.
Feeling less chilling?
Physically, yes. Professionally, this is a setback.

A FRIGHTFUL INCONVENIENCE
My likeness should inspire terror.
Hold that expression.
It comes naturally.
FLASH!
Very expressive.
An involuntary variation.
Shall I frame it?
Will it frighten people?
Does it frighten you?
Wrap it facing inward.

Want to hear a scary story?
Do your worst.
There was a house where nobody dared stay.
Promising property.
Then the last light went out.
NOT THE LAMP!
It comes back on.
A vital plot detail.
Were you frightened?
I was invested in the lamp.
